HOMES FOR HEALING FURNITURE

PURPOSE

Military Missions In Action (MMIA) assists veterans that have gone through the U.S. Department of Housing and Urban Development VA Supportive Housing (HUD/VASH) program or referred by another organization. These veterans were previously or are in stages of being chronically homeless. The VA places the veterans in apartments or homes that are under contract with the VA. However, the veterans go to their new homes with only the clothes on their backs. MMIA receives donations of furniture and household goods to deliver to these veterans free of charge in efforts to have the best start possible.

PROCEDURES

MMIA receives emails and phone calls from social workers or veterans with the request for furniture and household goods. There is a standard sheet that needs to be filled out for each veteran (form enclosed). Along with this form, **MMIA requires the veteran's DD-214 or veteran ID** card to show the veteran was honorably discharged.

Veteran must fill out and sign a **Liability Release and Express Assumption of Risk** form and return it with other required documentation. If the veteran has **children that live with him/ her, please also enclose verification**. This can include a verification letter from the Veterans Affairs office, birth certificate, report card with current address from child's school, or other documentation proving that the children do live in the same home. MMIA does not take requests from veteran family members.

Once the veteran has been verified, he/she is put on a list to receive furniture and household goods. Depending on the amount of donations and the number of veterans on the list, it may 30-90 days to receive the requested items. MMIA **also does NOT accept special requests** such as certain colored curtains, bedding, material of couches, etc. MMIA is only able to give items that are on the specified list.

The Program Manager will contact the veteran when the veteran has moved up the list to schedule a date and time for furniture delivery. **A veteran may only request furniture and household goods once in his or her lifetime**. A veteran cannot make a future request for additional items due to MMIA's lack of funding, donations and the amount of veterans' requests each day.

Respectfully,

Zak Keisler

Program Manager
